

Harshranjankumar

FullStackWeb Developer

PROFESSIONAL SUMMARY

Highly proficient full stack web developer with extensive experience in MERN stack, having successfully completed solo and collaborative projects. Possesses 1000+ hours of coding coursework from Masai School, coupled with intermediate-level proficiency in data structures and algorithms (DSA). Ready to contribute technical expertise and innovation to your team.

WORK EXPERIENCE:-

MERN Stack Developer Insurance Samadhan October 2024 – March 2025. Developed and maintained web applications using the MERN stack (MongoDB, Express.js, React, and Node.js). Enhanced front-end functionalities to improve user experience and ensure responsive design. Collaborated with team members to troubleshoot and optimize application performance.

PROJECTS

1. FitQuest |

JavaScript | React | Redux | ChakraUI | Node.js | Express | MongoDB |

Mongoose

- FitQuest offers a dynamic fitness experience, encouraging users to participate in exciting activities, conquer challenges, and track progress on leaderboards.
- Designed and developed the front-end user interface, prioritizing an engaging and intuitive user experience.
- Implemented dynamic updates for challenges and activities based on user selections, enhancing real-time engagement.
- Contributed to creating the Admin Dashboard and overseeing all CRUD operations for activities and users.
- Collaborated within a 5-member team to successfully deliver the project within a 5-day timeline.

2. World Travel |

React | Redux | ChakraUI | styled-components

- Developed an online platform for travel and hotel bookings with user and admin registration/authentication features.
- Designed and built the front-end user interface, ensuring a user-friendly and responsive website.
- Integrated dynamic time and date updates based on user selections for real-time functionality.
- Created essential pages such as the Landing Page, About, Message, and Payment Page for a comprehensive user experience.
- Contributed to a collaborative project with a 3-member team.
